SUBJECT: Questions relative to Career Service Conference Material

REF : Your memorandum dated 20 July 1954 - Subject: Office of the
Comptroller Participants in the Career Service Conference

The material submitted with referenced memorandum has been completely reviewed and the following questions are submitted.

1. What are the basic advantages to be acquired by staff employees and staff agents as a result of their being selected for the Career Staff? It is provided in [REDACTED] paragraph 3.a. that such personnel will be afforded "preferential consideration for job security and special training as well as benefits and facilities now or hereafter provided for members of the Career Staff." It would be helpful if some more specific indication were furnished as to the present and anticipated benefits to be derived from membership in the Career Staff.
